Acting Monologue

Matty/Matt (**Actor/Actress One**) this is an exciting time for Matty/Matt to prepare for the Holiday Season, not wanting to miss anything he/she creates a list of things to do before Halloween, Thanksgiving, and Christmas. Matty/Matt discovers an old dusty notebook in his/her parent's basement with blank pages. Once Matty/Matt starts to write in the book, things start to take a turn. Everything written in this magic book becomes reality.

Actor/Actress One

This will be the best Holiday Season ever!

Actor/Actress Two

Someone seems to be excited...

Actor/Actress One

The Holiday Season is near and
starts with the fun scare on Halloween.

Lots of laughs and food during Thanksgiving
and my favorite... getting
gifts during Christmas!

Actor/Actress One

But what I love most about
the Holiday season...

is spending time with friends
and most of all my family.

I'm looking forward to the
Holidays this year.

Expressing an exciting idea

I know...I'll start with a list
of things that I want to create
and buy so that I won't miss
anything or anybody.
